

Quantum Mechanics and Future Technologies: A Cross-Disciplinary Exploration

Prof. Jiann-Shing Shieh
Dept. Mechanical Engineering
Yuan Ze University

W1: Fri., Nov. 14
W2: Fri., Nov. 21
13:00-15:00 @R3301

Week 1: Quantum Physics theories (wave-particle duality and the uncertainty principle)
Week 2: Quantum computing and application in engineering, healthcare, and emerging industries)
